The Santa Monica Beach Club Boys (SMBC Boys) program is the oldest and most successful affiliate of the Los Angeles Volleyball Academy. Established in 1982, and as such now celebrating its thirty-third year of existence, the SMBC Boys program has left an indelible mark on the boys volleyball community.

With more than 22 medals in Junior Olympic competition—including two Silver Medals in 2011, a Silver and Bronze in 2013, Bronze in 2014, Gold and Bronze in 2016, and Gold in 2017 for a total of seventeen medals since 2006 — SMBC Boys is a well-respected juggernaut with alumni scattered throughout the upper echelons of the collegiate NCAA Division One Men's volleyball ranks (125+ seniors since 2007, playing at USC, Pepperdine, UCLA, UCSB, Irvine, Ohio State, Pacific, UCSD, CSUN, etc.).

The flagship boys program for LAVA—an affiliation of junior volleyball clubs in Southern California featuring some of the best and brightest minds in the region—SMBC Boys is based out of the San Fernando Valley with facilities at Harvard-Westlake and Oakwood Schools, as well as Pierce College, and brings everything to the table one would expect from a LAVA affiliate and given the historic successes of SMBC Boys—top coaching, structured training, and the superior values and ethics that are so very deeply LAVA.
